

The Cheshire Show is organised by the charity, Cheshire Agricultural Society. It is constructed and successfully delivered by a small team of staff and vast army of dedicated volunteers.

The landowning gentry of the county founded the Cheshire Agricultural Society (CAS) in 1838, when the Cheshire Show was first held. The Show has expanded over the years to include many new attractions and now attracts up to 60,000 visitors.

The objects of the society are to encourage agricultural enterprise; to promote and Improve breeding, rearing and health of livestock; improving agricultural Implements. Also, to encourage skill and industry in husbandry by holding of shows or otherwise, and for the benefit of the charity.

By becoming a member of the Cheshire Agricultural Society people reap exclusive rewards at the Show and throughout the year -ideal for anyone with a passion for the countryside. It is a perfect way to enjoy the Cheshire Show and makes a great gift for friends and family.

As well as receiving tickets to the show, access to the members bar and restaurant and parking at the show, throughout the year members will receive a copy of the Society's annual report and are invited to attend all General Meetings where they will have the opportunity to vote.
