# information for teachers

The Cheshire County Show provides an excellent opportunity for an educationally valuable school visit, enabling children to experience a wide-range of activities in one day. Being a rural based event it is a tremendous opportunity for pupils to learn about the many aspects of the countryside.

**A visit to the Sainsbury's Agri-Centre marquee is a 'must see' during your stay**

The Sainsbury's Agri-Centre carries the theme of **Plough to Plate** - 'Where your food REALLY comes from', and offers a unique and interactive insight into the primary stage of food production. From explaining the importance of health, welfare and nutrition of farm animals and live milking demonstrations, to displays of growing crops, conservation matters on the farm, cheese making demonstrations and much, much more.

The Sainsbury's Agri-Centre aspires to educate visitors to the show of the important role of farmers in the rural environment and their contribution to the food industry.

In addition to the usual displays of cattle, sheep, pigs goats, horses, dogs, rare breeds, poultry, rabbits, and packed and exciting main ring programme on both days, a visit to the Schools Out marquee will give you the opportunity to see some of the activities provided by Cheshire education centres across the County.
