

Dear Exhibitor

Cheshire County Show 19th & 20th June 2012

Please find enclosed the Cattle Schedule for 2012, should you require any assistance in completing your entries, or require additional copies of the schedule, please do not hesitate to contact the show office.

The Cattle Section remains one of the centres of excellence on the showground proving to be as popular as ever with the thousands of visitors who attend the show and last year saw a tremendous turnout of quality livestock. Not only are they a credit to the industry, but to the owners and breeder.

We were pleased to host The National Dairy Shorthorn Show last year and are proud to do so once again in 2012.

In addition to the Red Poll Cattle introduced last year, we wish to confirm that The Sussex Cattle Society are now represented with their own breed classes for the coming show.

We are proud to announce an additional class in the Beef Young Handler section. This is a qualifier for the Young Stock Person of the Year 2012, the final of which is to be held at The East Of England Smithfield Festival in November.

Finally I draw your attention to Page 4 of the schedule covering Anti-tampering. This section has been extended as a result of incidents during last years show season. The Committee have adopted the new National guidelines drawn up by the ASAO (Association of Show and Agricultural Organisations).

Online Entry and payment – are now available from the website at www.cheshirecountyshow.org.uk
