In the Working Hunter Class, the highest placed unqualified horse in the first three will qualify to enter at the Horse of the Year Show. No horse lower than third will qualify. If there are two Working Hunter Classes, ie a Lightweight and Heavyweight Class, then there must be a Championship Class to determine which horse qualifies. Both Classes will be jumped over the same course and height unless special dispensation is given by the Society. When judging the Championship, Judges will use the marks they have already allocated as a guide. The highest placed unqualified horse in the Championship will qualify for Horse of the Year Show. The Championship is only open to the first and second prize winners in the Light and Heavyweight Working Hunter classes respectively. The four horses forward in the Working Hunter Championship must be placed as any one of the four could be eligible for the Horse of the Year Show qualification.

For the final judging the top ponies should be invited back into the ring and lined up in any order. No further show will be given.

The judges should then refer to their original marks. In the case of equality the pony with the highest show, freedom and action mark will be deemed the winner. If there still be equality at this point, then the judge's decision will be final.

The highest placed animal (not already qualified) from the first three in the final judging will qualify for Horse of the Year Show, subject to verification of qualification from the Horse of the Year Show office.

For classes that are not split, rosettes to 10th place.
